

Do You LOVE Me?

None so devotional as that of "Mother"

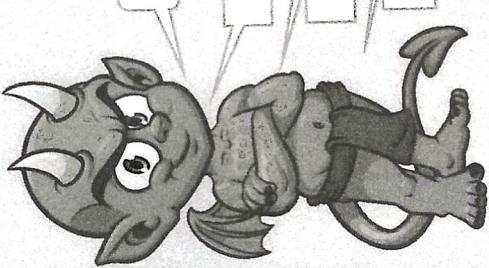

So, you ask, DO I LOVE YOU?

Mommy

A white, cylindrical medical device with a perforated surface, likely a stoma or colostomy bag, is positioned vertically. It has a textured, dotted pattern on its upper half and a smooth, light-colored base. The device is set against a dark, curved, shadowed shape that resembles a stylized letter 'G' or a kidney.

When they ask me what I am afraid of,
It was always you.

DEPRESSION
MENTAL ILLNESS
WORTHLESS
YOU SUCK

The image shows five separate speech bubbles arranged in a cluster. Each bubble contains a single line of text in a bold, black, sans-serif font. The text is all-caps and reads:

- TERRIBLE PERSON
- YOU SHOULDN'T BE HERE
- PSYCHOTIC
- ANXIETY
- NO ONE CARES
ABOUT YOU

These demons were destructive

Often times I try to tell you
My demons speak to me

But My child you are so a very big part of me

1

Often times I try to tell you
My demons speak to me

| You act like you care,
How do I really know you

You act like you care,

I feel like no one's there
during all my pain.

I cry because you weren't there
NO!

Ignore or acknowledge me
My idol
She's my role model

**She's my mother,
She's my hero.**

Mommy, do you love me?

been called a demon for that reason, giving it is what
she does, an ornament of ~~the~~,
sadness, undetected.

My Dear Child
I never was
so happy as I am now,
and I hope you will be
as happy as I am.

I struggle through the days,
with no one at my side.

like no one's there
during all my pain.

NO! I cry because you weren't there

Ignore or acknowledge me
My idol
She's my role model

**She's my mother,
She's my hero.**

one so devotional as that of "Mother

A heart, ~~which~~ under ~~the~~ ~~same~~ ~~sun~~
Affected the same tragedy, ~~which~~ was
with no place or rejected, abused.
And a body, ~~carrying~~ a thousand
~~blows~~, ~~stabbed~~ by a knife, or impaled,
had indeed ~~nothing~~ nothing to be
proud of, at least for a day, to suffice
alone and deserted, with no one left
to talk ~~about~~ ~~it~~ ~~itself~~, ~~a~~ ~~pock~~, which
which is about to stop living easily,
gives up ~~its~~ ~~body~~ ~~on~~,
An end of life's biggest song.
